BAPTISM AND BAPTISMAL FONTS

Timely Article from the Pen of President Smith.

AN IMPORTANT ORDINANCE.

Should be Attended to at Proper Time-Settlements Should Have Their Own Fonts.

The following article from the pen of President Joseph F. Smith, and published in the latest number of the Juvenile Instructor, is deemed worthy of reproduction in these columns:

The practice of administering the Sacrament of the Lord's supper to the children of the Sabbath schools is generally observed throughout the entire Church. The children are entitled to the Sacrament by reason of the fact that they have not reached the years of accountability, and are not, therefore, under the same divine responsibility that falls upon them when they have attained the eighth year of their age. Sunday school authorities have, therefore, been asked to urge upon the children the necessity of baptism as soon as possible after they reach the age of accountability; and in order that the children may feel the Importance of baptism as soon as they are entitled to it, instruction is given both in a general way to the school and also in

Parents are to be commended who take proper measures to prepare their children for baptism on their eighth birthday, or as soon thereafter as possible. There has grown up, however, much carelessness among the Saints in regard to the baptism of their chiln, who often do not receive this ordinance for six months or a year after they are entitled to it. Children may very naturally ask, therefore, if it may be postponed indifferently for two months, why may it not also be postponed six or even 12 months.

It is much more in conformity with the rules of the Church and its discle-

pline for children, as they reach the age of 8 years, to be baptized in order that they may be fully entitled to the privileges of the Sacrament. Where the child is not responsible, it has not been the practice to withhold the Sacrament from him and yet it is much were dethe practice to withhold the Sacrament from him, and yet it is much more desirable that he be baptized before partaking of the Sacrament after he has reached his eighth year. The subject of baptism should be discussed in the homes that children may look forward to it in the spirit and feeling of satisfaction and duty. The ordinance is a most important event in the child's life, and if the child is made to feel that importance, the ordinance will have a greater effect and the solemnity of the occasion will be impressed upon the youthful mind.

The most common reason for post-

The most common reason for post-poning the ordinance of baptism is the nciemency of the weather during the vinter season. There are perhaps not more than three or four months of the year when the temperature of the wa-ter in our streams makes the ordinare changing so rapidly that baptismal fonts can be constructed without very great expense, and they are much to be preferred, even during the summer season over the common practice of baptizing in the open streams. It is to be hoped that the day is not far distant when every town of any considerand where there are small towns with-in a distance of from six to ten miles a font might be very properly located at a central place for the accommodation of all. Proper dressing rooms can be arranged and conveniences may be had for the performance of the ordin-ance. Various devices may be arranged for the heating of water and the gen-eral comfort of the children who rewhose duty it is to give it their per-sonal attention. If baptismal fonts were generally provided throughout the settlements of the Church, a day could be set apart each month for the bap-tism of children.

The Saints are earnestly advised to is to be hoped that the authorites in every Stake will realize the growing necessity of baptismal fonts and con-struct them at their earliest possible

BRIGHAM CITY CONFERENCE

One Will be Held by Scandinavians

On July 27th.

A Scandinavian conference will be held in Brigham City Sunday, July 27, the occasion being the anniversary of the first baptism into the Church in Sweden more than fifty years ago. Elder Peter Forsgren was one of those baptized at the time. He is still living in Brigham City, and some of the leading Scandinavians have concluded to pay him and other friends in Brig-ham City a call in commemoration of

an important event in Church history. When the idea was suggested, it was very well received among the people, and the probability is that the gathering will equal in numbers that of the Scandinavian jubilee in this city a couole of years ago. All along the rail-oad lines, from Preston, Ida, to Elsinore, Sevier county, cheap excursion tickets will be sold, and it is understood that in parts of the state, preparations excursion rates are of course good for any who desire to avail themselves of them, and pay Brigham City a visit, and the probability is that many will

An extra train will leave the Oregon Short Line depot in this city Sunday morning, at 7:30 a. ru, and return at 10 p. m. and the return ticket from this city is only one dollar. The friends in Brigham City are making great preparations for the reception of the guests. The committees are now at work making all the necessions. sary arrangements.

There will be meetings during the day in the Tabernacle and in ward houses, and a sacred concert in the evening. Theseity park will be placed at the disposal of the visitors who desire to enjoy their picnic under the trees. Provided the weather is favorable, the outing is likely to be one in every re-spect pleasant and successful.

WELSH MISSION ASSOC'N.

Meeting to be Held July 17th at Saltair.

In connection with the gathering of the Cambrian association at Saltair on July 17, a meeting of the Welsh Mission association has been called and will be held at the same place, that those residing in distant parts may take advantage of the special transportation rates offered by the railroads on that D. L. DAVIS, President. J. H. PARRY, Secretary.

COOPER FILES A WATER SUIT

Asks that Power and Irrigation Companies be Enjoined.

CLAIMS VALUABLE RIGHT

Declares That He is Owner of One on the Jordan River-Name of

William Cooper today filed suit in the

district court against the Salt Lake City Water & Electrical Power company, the East Jordan Irrigation company, the North Jordan Irrigation company, and Joseph Geoghegan, receiver of said first named defendant to quiet his title to 23 cubic feet per second of the water of the Jordan river, the same to be measured at the entrance to the penstock of the Cooper mill race.

Plantiff alleges that he was judged the prior appropriator of said water right by a decree of the court rendered July 25, 1901, in the case of Sait Lake City Water & Electrical Power company et al. On June 16, 1902, it is alleged that plaintiff entered into an agreement to sell his said water right to the Utah and Salt Lake Canal ompany, but defendants herein have t up some claim of title to the same and hence clouds his title so that he is mable to complete the sale.

He therefore asks that defendants be required to set forth their claims and that upon the final hearing they be perpetually enjoined from asserting any right or interest in said water.

CONSOLIDATED WINS. Judge Morse Orders Trust Company To Pay Over \$981.35.

Judge Morse today handed down a decree in favor of plaintiff in the case of the Consolidated Wagon & Machine company vs the Brigham Young Trust company, fixing the amount which plaintiff is entitled to recover at \$981.35. The action was brought to recover defendant's proportion of the expense of building a party wall on the boundary line of the property of both parties to the action. Plaintiff built a wall pursuant to an

agreement with defendant on the premises known as Nos. 138, 149, 142 south. State street, and being a part of lot 8, block 70, plat A, the same being 230 feet in length. Later defendant constructed a building and used 75 feet of said party wall, but refused to pay its proportion of the expense of construction for the part used by it. Judge Morse decided that defendant was liable for one-half of the cost of construc-tion of 75 feet of the wall which it used and the amount was fixed as given

ONE YEAR FOR FOSTER. His Reward for Confessing to Burglary - Gaylor Pleads.

John Foster, who heretofore entered a John Foster, who heretofore entered a plea of not guilty to the charge of burglary, appeared before Judge Morse this morning and withdrew his former plea and entered one of guilty. He waived time of sentence and the court sentenced him to one year's imprisonment in the penitentiary at hard labor. Foster, on the night of May 20, 1902, burglarized the residence of Alexander Bouck at 175 north Fifth West street. William Gaylor entered a plea of not guilty to the charges of burglary, and guilty to the charges of burglary, and receiving stolen property, knowing the same to have been stolen. The burglary was committed on the night of May 16, 1902, the building of James Stevenson, 50 Commercial street, being the scene of the crime. Two rifles of the value of \$20, were taken by Gaylor.

Damage Suit Dismissed.

Upon motion of defendants' attorney udge Morse today dismissed the case f Ellen Maris vs Mark E. Swan et al. The action was brought to recover \$6,000 as damages for defamation of plaintiff's character. Plaintiff was employed as an actress by defendants to play a part in "Whose Baby Are You." She was discharged, and defendants caused to be published certain statements to the effect that plaintiff was discharged on account of drunkenness, thereby ruining her reputation among theatrical managers,

COURT NOTES.

Owens, Varney & Greene, the billposting firm, has commenced injunction proceedings in the district court against the Big Four advertising company to restrain defendant from using the walls of the building at 3721/2 south Main street for advertising purposes. Plaintiffs claim the exclusive right to the use of the walls, but the defendant has interfered with some of their signs and they ask that the company be re-strained from further interference.

In the case of Frederick Healy vs Warren Stealy and the Rio Grande Western Railway company, garnishee. ludge Morse today rendered a decision in favor of the garnishee. The case was appealed from a justice court. Judgment was rendered in the court elow in favor of plaintiff for the sum f \$299. The sum of \$26.12, in the hands of the Rio Grande, alleged to be due defendant, was garniseed. Before said writ of garnishment was served Stealy gave I. Waters an order on the railway company for \$25.50. Walters secured udgment against the company for that amount and an appeal was taken on an agreed statement of facts. Judge Morse decided in favor of the Rio Grande Western Railway company and rdered findings and judgment entered accordingly.

THE GIRL RESISTED.

Miss Hazzard, Gun in Hand, Deffes a Deputy Sheriff.

Deputy Sheriff Cummings had a dangerous experience yesterday afternoon which had him guessing for a time as to whether or not he would be blown to pieces by a Winchester in the hands of an angry girl, who, under the instructions of her father, attempted to prevent the deputy from taking possession of a team of horses under a writ of replevin. The girl got the drop on Cummings and he was unable to draw his iron weapon, but her mother interfered and prevented any serious trouble. When arrested the grant her troubles were the serious troubles. rouble. When arrested she gave her name as Jane Hazzard. She was locked up in the county jail on the charge of interfering with an officer and Cummings is shaking hands with himself that the result of the experience was

not any more serious.

W. L. Parry had secured a writ of eplevin from Justice Atkinson of Riv-erton and Deputy Cummings went out to Hazzard's farm near White Lake to keep his eye on the horses while the papers were being signed. He went today and accept no substitute.

around to the rear of the house and was met by Miss Hazzard. When he demanded the horses she refused to let him have them and wanted to know who he was and also asked to see his credentials. Cummings said he showed her his badge, but she declared that it might be a street car badge for all she knew, and she did not intend to give up the horses.

Miss Hazzard then backed up her statement by seizing a Winchester and

Miss Hazzard then backed up her statement by seizing a Winchester and pointing it at the deputy. He demanded to know what she meant, to which she replied that she would show him. The girl's mother then took the gun away from her, but refused to give it to the officer, who had to take it from her by force. The girl then whispered to her sister to get the revolver. She was then placed under arrest and lodged in faft, and the horses were taken without further trouble.

Salt Lake made three mistakes but they were all on most difficult chances and the playing of the house team was decidedly good. Many times the locals were in a tight place but by careful, consistent playing got out without very much damage being done. It was a pitcher's fight from the time "Play ball" was sounded until the last man was sent to the bench. Lempke was pitted abainst Big Chief Borchers, now known as "The Friend of the League." Both pitched great ball, but his lengthiness from up Farmington way got away with the goods by pitching a game that was simply remarkable. INFANTS TRIM LOBSTERS.

Most Miserable Exhibition of Base ball at Logan Yesterday.

The ball game between Ogden and Logan at Lagoon yesterday afternoon was the most miserable affair that ever traveled under the name of baseball. It was miserable from the Lobster's standpoint, or rather from their alleged playng. The infants got away with the 'game' by a score of 14 to 4.

The playing of the Ogden bunch was

so rank that the charge was freely nade that Gimlin was deliberately try ing to discourage the Temple City fans so they would not patronize the game. He would very likely have succeeded but for the fact that he overshot the mark, and the fans are determined to stand by the home team. Gimlin had the nerve to put Blath in the box, and of course he was hammered all over the field. The detailed score follows: LOGAN.

THOMPSON AND ROSS. Wrestlers Will Work Together and Meet All Comers.

Prof. Eugene Thompson, of the Moore gym, and Charley Ross, the crack wrestler from Leadville, have decided to work together at the gym and they have already begun their work. The two have formed a partnership in wrestling and propose to meet all comers in their class. It is thought there will be a good deal of wrestling in the city this summer, and Thompson and Ross are now making arrangements

THOMPSON AFTER M'LAUGHLIN. He Is Anxious for Another Match For \$500 Aside.

Prof. Eugene Thompson, of the Moore gym, is juite anxious to secure an-other match with McLaughlin, the Montana champion who defeated him on the mat at Park City recently. Mc Laughlin, it is understood, is willing to give the Salt Lake lad another chance but is not willing to wrestle for more than \$100 a side. On the other hand, Thompson is willing to put up as much as \$500 that he can defeat the Park City man. It is quite likely that another match will be arranged before long, and the local knight of the mat promises there will be a different story to tell next time.

Gibson vs. Hofman.

On July 24, "Baby" (Harry) Gibson, and F. J. Hofman will ride in a 20-mile motor paced match race at the saucer. The little Cincinnati rider has been doing anything but train so far this season, but he announces that he is in splendid shape now and is able to hold his own against any rider on the track. Hofman, who is a sprint rider, is getting himself into shape for the long ride.

SAMUELSON COMES TO FRONT Speedy Provo Lad Captures Both Professional Events.

W. E. Samuelson, the speedy lad from Provo who rides a bicycle occasionally, rather upset the calculations of the knowing ones at the saucer last night, by carrying off both professional events, beating Chapman and Hofman. Ellswood, a sixty yard man.proved to be the dark horse in the ranks of the amptaurs in which will be the saucer last of the saucer l amateurs, in winning the half-mile handicap. Starbuck also surprised the crowd by jumping into second place. In the mile open, Hoffer was beaten by Redman.

The event of the evening was the five mile lap race for the pros. Samuelson and Furman started out to fight for lap money, but the other riders took a chance now and then for a lap or two. Frank Hofman was laying back for the finish, and Chapman was at his rear wheel. Hofman may have made good but he misjudged his time and was "all in" when it came for the final test. At the bell was in final test. At the bell was in the lead, but Samuelson was close up to him. Samuelson made a pretty spurt, beating the California lad by a wheel, with Johnnie Chapman second.

wheel, with Johnnie Chapman second. In the mile open professional, Furman assisted Samuelson by taking him around the bunch in the fifth lap.

Samuelson simply kept right on sprinting and won the event.

In the mile open amateur, Cy Herman tried to ride too low and the result was he took a tumble. Dick Grames also had a fall from the top of the bank, but neither were badly injured. This is the summary: of the bank, but neither were badly injured. This is the summary:

FIERCE BASKET BALL.

Weber Academy and L. D. S. University Will Meet Again. The June excursion given by the Mu

tual Improvement associations of Salt Lake was such an enjoyable affair that they have decided to repeat it next Wednesday, July 16, at Saltair. In ad-dition to the other attractions, there will be a championship game of basket ball between the girls of the Weber Stake academy and the L. D. S. univer-sity of this city. The Weber Stake team now holds the championship for the state, winning the deciding gam yesterday. This promises to be one of the hardest contests ever seen in the state. The line up is as follows:

There was a big crowd at Saltair yesterday on the occasion of the joint excursion of the Woodmen of Ogden, the M. I. A. from Cache valley, the Murray ward and the Tenth ward of this city. Among other features was a this city. Among other features was a basket ball game between the Ogden and Salt Lake girls to the complete discomfiture of the latter. The game resulted in a victory for the Ogden damsels to the tune of 15 to 6. The prize for the prettiest baby in the Tenth ward was awarded to Zena Fuller, the 12-months-old daughter of William Fuller of this city. The largest family present was that of Joseph Keddington, who had twelve children. The prizes in the waltz contest were awarded to Alvin Strong and Eva Symmons. A few over 1,300 people went
